

EE 4951 Design Show Project Evaluation

Spring 2011

Project Name: _____

Your name: _____ Affiliation: _____

Circle one number for each metric. For the numerical rating:

1 = needs significant improvement

2 = below average

3 = average

4 = above average

5 = exceptional

The Quality of Design metrics have twice the weight as the Quality of Presentation metrics.

QUALITY OF THE DESIGN:

The team followed a good design process	1	2	3	4	5
The team used their knowledge of modeling and analysis	1	2	3	4	5
The design meets customer needs and requirements	1	2	3	4	5
Alternatives were explored and evaluated	1	2	3	4	5
Appropriateness and quality of the final design solution	1	2	3	4	5
Quality of the prototype or simulation	1	2	3	4	5

QUALITY OF THE PRESENTATION:

Ability of students to explain the design	1	2	3	4	5
Team members participated equally in the presentation	1	2	3	4	5
Exhibit (poster and other materials) clearly explains the design	1	2	3	4	5

COMMENTS:
